Dear Mr. Blood:

On February 13, 2017, we received from Sunbelt Environmental Services, Inc., on your behalf, the referenced work plan and cost estimate with additional revisions received on February 27, 2017. Upon review by the Technical Branch staff, **the work plan and cost estimate are approved for implementation at an estimated cost of \$40,371.70.** Please submit a *Site Assessment Report* of the approved activities on or before **July 1, 2017**. Additionally, subsequent quarterly sampling reports will have the following report submittal due dates: **October 1, 2017; January 1, 2018; and April 1, 2018**. This approval is granted under the authority of Arkansas Pollution Control & Ecology Commission Regulation No. 12, and should not be construed to indicate compliance with any other federal, state, or local laws or requirements. Any changes to the plan, including exceedance of cost estimates, must be presented to the case manager in writing for review and approval before implementation. A copy of the *Cost Review Memorandum* prepared for this *Revised Site Assessment Work Plan* approved by the Trust Fund Manager for the Petroleum Tanks Program is attached. Your cooperation in this matter is appreciated. If you have questions or comments regarding LAST case file 08-0026, please feel free to contact me at (501)682-0990 or by electronic mail at zweifel@adeq.state.ar.us.

Sincerely,
