

MEMORANDUM

To: Chair and Commissioners
From: Dennis W. Kelly, District Manager
Date: June 4, 2015
Subject: Re-roofing of Campground facilities

During the May 18, 2015, Regular Commission Meeting, Mr. Harold Craig, President of the Holiday Island Hospitality Association (HIHA) presented a proposal to re-roof the Bath House (rest rooms) and the picnic pavilion at the Holiday Island Suburban Improvement District (HISID) Campground. Included in his presentation was a proposal from Thurman Roofing, LLC. The Thurman estimate for both roofs is \$2,850 (See attached estimate). Mr. Craig represented that he will present this proposal to the HIHA membership for their approval in July, 2015, and asked HISID to approve cost sharing on a 50/50 basis, contingent upon the HIHA's approval in July. HISID's 50% share would be \$1,425 and will come out of Campground account #664, Building Repair.

Staff recommends approval.
