Re: Bid Opening for the 2018 Golf Cart Path Resurfacing Project

On August 16, 2018, the District Manager opened two sealed bids for the 2018 Golf Cart Path Resurface Project. Heavy Constructors of Arkansas was the apparent low bidder with a lump sum bid of \$73,840.00 for 6,438 liner feet of asphalt overlay, at least 6 feet wide at an average depth of 3 inches compacted.

In accordance with the bidding requirements, Heavy Constructors of Arkansas provided proof of an Arkansas Contractors License, Insurance, and a willingness to provide a surety bond.

It is recommended that the Board of Commissioners approve the bid from Heavy Constructors of Arkansas and a Notice of Award be executed with construction beginning as soon as practical.
