

The Holiday Island Hikers is a 501c3 nonprofit organization with two basic goals. First is to promote exercise and social interaction by scheduling hikes every Monday, October through April. Secondly, we construct and maintain hiking trails in Holiday Island.

There is no membership fee. Members pay no dues to participate in the hikes but at times volunteer to work on trail projects. Everyone is invited to hike.

Hikes vary in difficulty from easy to moderate. Most of the hikes are within 50 miles of Holiday Island with many local trails. Other hikes may be in the Buffalo River area or at regional parks. Hikes many times culminate with a group lunch at a favorite restaurant.

In addition to the trails, Holiday Island allows walking/biking on the cart paths of the 18 and 9 hole golf courses in the mornings and evenings. And many of our hikers enjoy kayaking on beautiful Table Rock Lake and the White River.

Holiday Island Hikers

2024

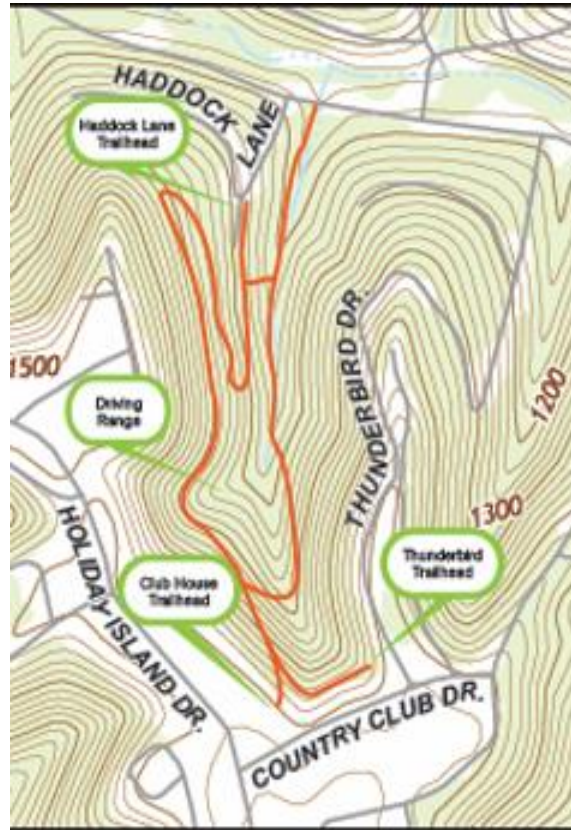

Promoting the enjoyment of the outdoors with friends old and new and working as volunteers to make hiking possible in the beautiful green spaces of Holiday Island, Arkansas.

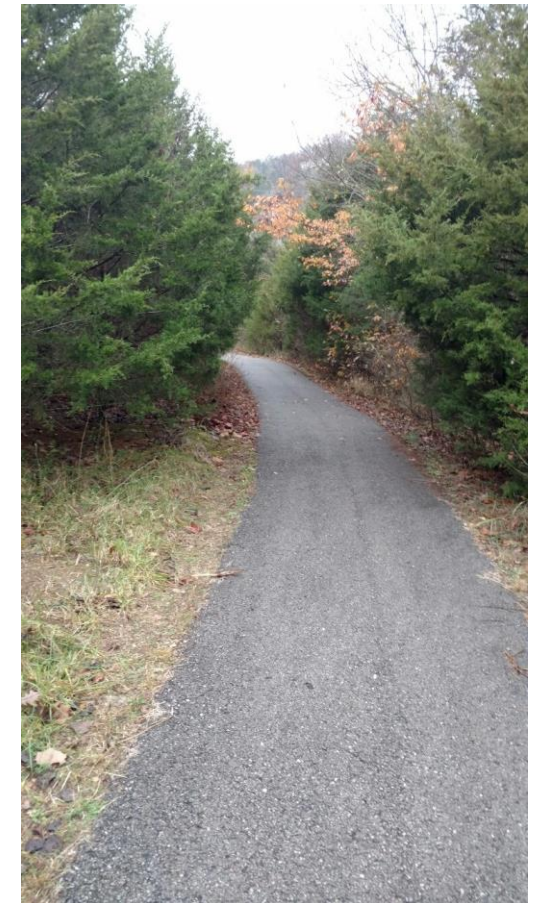

Starlite North Trail

1.4 miles with great views, wild flowers, forest trail along rock shelves and a creek. Trailhead is just south of Stateline Drive on Starlite Drive very close to the Community Church.

Haddock Lane Trail

2.6 miles of trail through wooded areas with interesting rock formations. Then winding down to follow a creek where beauty abounds year-round. 450' elevation change from the Thunderbird trailhead. 275' elevation change from Haddock Lane (the recommended trailhead). Improvements to the trail planned for 2024.

Leatherwood walking Trail

The Leatherwood Walking Trail is a 0.8 mile (1.6 mile out and back) paved fully handicap accessible track that follows Leatherwood Cove on Table Rock Lake. The trail features views of the lake and a wide variety of wild flowers in the spring. The parking area is on Bluewater Drive.
