

The Holiday Island Hikers is a 501c3 non-profit organization with two basic goals. First is to promote exercise and social interaction by scheduling hikes every Monday from Labor Day to Memorial Day. Second is to construct and maintain hiking trails in Holiday Island.

Voting members pay a \$20.00 annual membership fee; 100% of which goes towards trail construction and maintenance. Social members pay no dues and participate in the hikes and at times volunteer to work on trail projects. Everyone, member or not, is invited to hike.

The hikes vary in difficulty from easy to moderate. Most of the hikes are within 50 miles of Holiday Island with many local. Other hikes may be in the Buffalo River area or at regional parks.

In addition to the trails, Holiday Island allows walking/biking on the cart paths of the 18 and 9-hole golf courses in the mornings and evenings. Many of our hikers enjoy kayaking on beautiful Table Rock Lake and the White River.

For more information, contact the Holiday Island Hikers at 660-287-2082 or email at dandtkees@cox.net.

Holiday Island Hikers

Promoting the enjoyment of the outdoors with friends old and new and working as volunteers to make hiking possible in the beautiful green spaces of Holiday Island, Arkansas.

Starlite North Trail

1.4 miles with great views, wild flowers, forest trail along rock shelves and a creek. Trailhead is just south of Stateline Drive on Starlite Drive very close to the Community Church.

Bobcat Trail

Coming in the winter of 2018, 3 miles of trail through wooded areas with interesting rock formations then winding down to follow a creek where beauty abounds year-round. Difficulty - moderate.

Leatherwood Walking Trail

The Leatherwood Walking Trail is a 0.8 mile (1.6 mile out and back) paved and fully handicap accessible track that follows Leatherwood Cove on Table Rock Lake. The trail features views of the lake and a wide variety of wild flowers in the spring.
